

Recognizing Nouns I

A noun is a word that represents a PERSON, PLACE, THING, or IDEA. Read each sentence and circle the noun. Then, write the noun in the space on the right.

EXAMPLE: Charlie runs fast.

Charlie (person)

1. The wagon is red.

2. The chocolate cake is very sweet.

3. The sun is shining brightly.

4. The library is open everyday.

5. Susan has blonde hair.
